

Manufacturing & Distribution

At HW&Co., we work with manufacturers and distributors that provide quality products to a variety of industries. Our industry leaders provide the information and guidance you need to help you achieve excellence at every step of your journey.

Since its inception, HW&Co. has been helping manufacturers keep track of their numbers and understand what that data means to their businesses. This information, along with our industry expertise, enables us to guide you in making the right decisions about your company's future, and brings you closer to your goals.

What We Do:

- Tax Planning & Strategies
- Accounting & Assurance
- Consulting

Who We Serve:

- Agriculture
- Aerospace
- Automotive
- Medical Devices
- Electrical
- Refining
- Steel

Industry Affiliations:

PROUD MEMBER

Our manufacturing expertise sets us apart.

Challenges such as maintaining your workforce, minimizing energy costs, inventory management and financing often go well beyond the knowledge of most. We are members of Manufacturing CPAs, a nationwide network of CPA manufacturing firms, which gives us access to educational programs and other support to help us stay informed of industry trends and better serve our clients.

We believe in the power of conversation. Let's talk.
