

Agribusiness

We offer the full spectrum of accounting services for agribusiness operations, which are tailored to incorporate the industry's particular requirements. We also specialize in succession and estate planning, and we are uniquely qualified to advise farmers on how to achieve maximum governmental payments and ensure they remain available during transitions of ownership.

Agribusiness and farm accounting requires special insight into tax methods and changing legislation, along with expertise in a variety of services, such as succession planning, operations and cash flow, farm financing, tax benefits unique to farmers, farm transportation, and farm technology.

What We Do:

- Tax Planning & Strategies
- Accounting & Assurance
- Consulting
- Family Farm Succession & Estate Planning

Who We Serve:

- Row Crop Farmers
- Grain & Hay Farmers
- Livestock, Dairy & Poultry Farmers
- Farm Transport Companies

Industry Affiliation:

Our expertise sets us apart.

At HW&Co., we have CPAs who have direct, personal knowledge of what it takes to run a farm; they have lived, owned, and worked on family farms in rural Ohio. Our goal is to be forward-thinking, efficient, and educated in all areas of agribusiness so that we provide relevant and up-to-date information for this continually advancing industry and the hardworking farmers and other agriculture professionals who support it.

We believe in the power of conversation. Let's talk.
