

Valuations

HW&Co.'s transaction advisory professionals are well-rounded CPAs who have been directly involved in transactions for a variety of situations - including mergers and acquisitions, gift and estate tax audits, and litigation. Each transaction has unique factors that must be considered before beginning business modeling or valuation processes.

Frequently, our business valuation services are part of larger services, such as strategic planning, litigation support, or tax planning. If multiple services are required, HW&Co.'s team of experts will combine them to seamlessly and effectively support your goals.

Valuation Uses:

- Estate, Gift & Income Taxation
- Succession Planning
- Business Transactions
- Dispute Resolution & Litigation
- Financial Reporting

Who We Serve:

- Private Equity
- Venture Capital Firms
- Business Owners
- Corporate Acquirers
- Attorneys & Advisors
- Healthcare Facilities
- Healthcare Providers

Our expertise sets us apart.

Business transactions involve both science and art. In addition to technical expertise, our transaction advisory team has vast real-life situational experience to appropriately value business entities or their ownership interests. Our professionals hold the **Accredited in Business Valuation (ABV)** designation and are dedicated to the highest professional standards.

We believe in the power of conversation. Let's talk.
