

## Private Business Advisory

Our private business advisory services support business owners and CEOs by helping them tackle the highly complex and ever-present challenges that exist in today's business environment. Our focus is centered on helping you align strategically with your business goals and identifying and capitalizing on opportunities. Whether you're looking for an interim CFO, searching for specialized help, interested in upgrading your financial systems and processes, or simply looking for staff augmentation, our private business advisory services can meet these needs, in addition to providing a variety of other services.

### What We Do:

- Tax Planning & Strategies
- Accounting & Assurance

### Our approach sets us apart.

At HW&Co., we take a holistic approach to understand your company's specific challenges and opportunities. In fact, we like to refer to ourselves as your "coach," meaning we lead your team in selecting the correct strategic decisions to meet your goals and achieve success as specifically defined by your organization. Our team has the resources and experience to guide you in preserving and growing your business.

# We believe in the power of conversation. Let's talk.
